

Para aceder à página do BabyCare da Maternidade do Hospital Cova da Beira – Covilhã é necessário:

1. Abrir o browser Internet Explorer e colocar o endereço:  
**http:// 62.28.22.225**
2. Colocar no “user name” e na “password” os dados fornecidos pelo hospital.

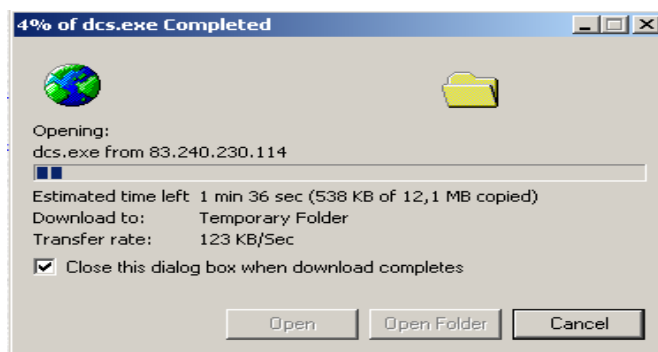

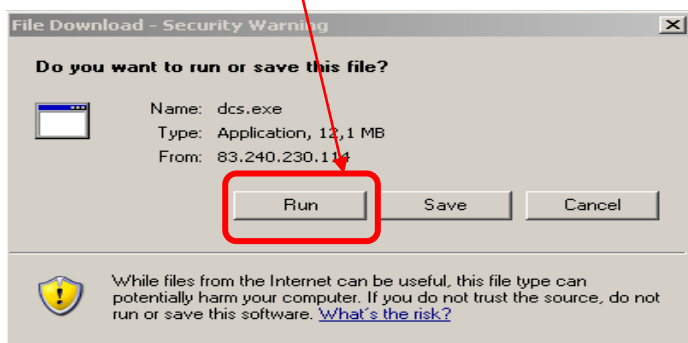

3. Na primeira utilização, vai pedir para instalar o “plugin ActiveX”. Selecionar o link correspondente ao seu sistema operativo.

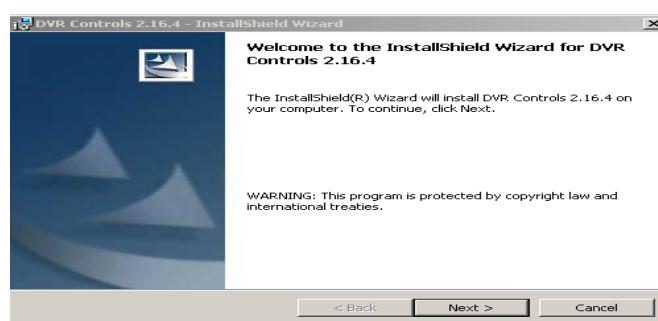

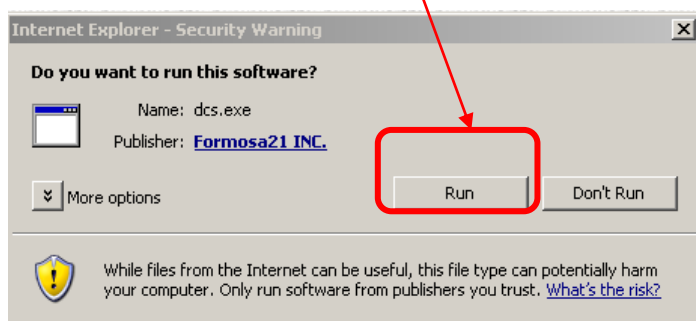

**Nota:** para o Windows Vista ou 7 usar o link do Windows 2000 e XP.

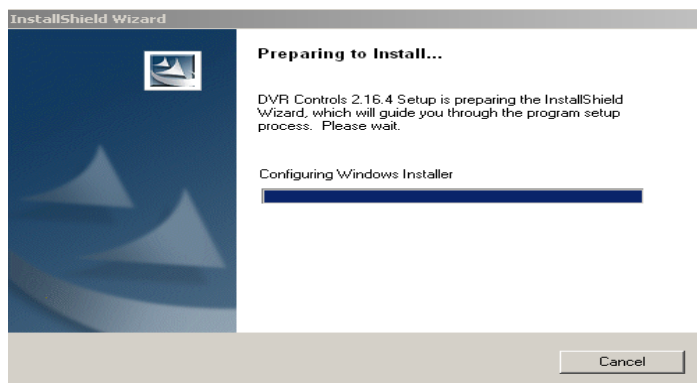

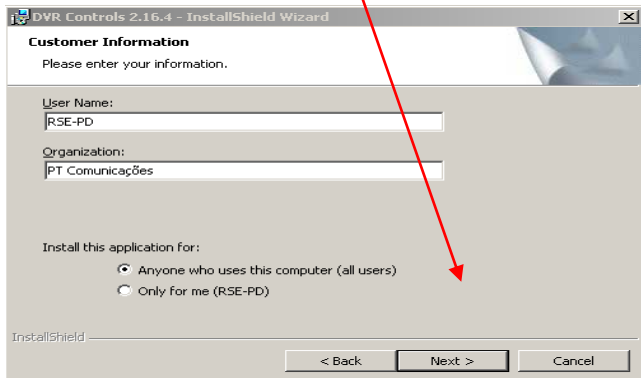

4. Escolher “Run”

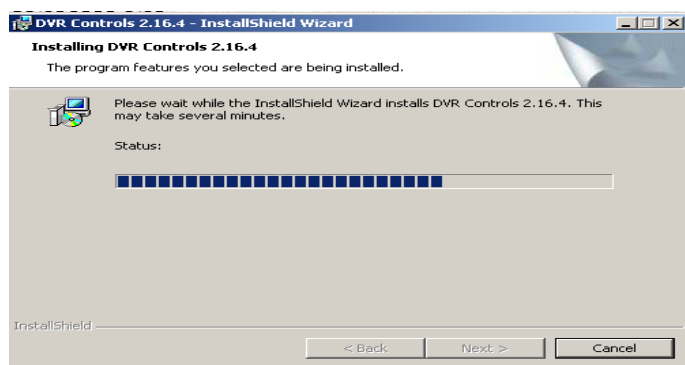

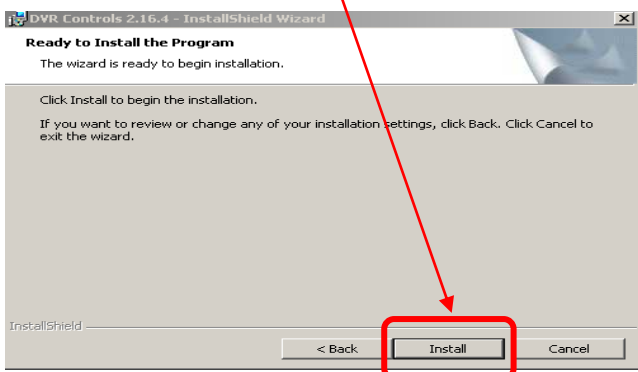

5. Voltar a selecionar “Run”

6. Selecionar “Next”

7. Selecionar “Install”

8. Quando terminar, basta voltar atrás

9. De seguida aparece a imagem correspondente ao “user” e “password”

10. Na próxima vez que entrar, só é necessário executar os passos 1 e 2
